<b>Company Profile:</b>			
<p>Melon Inc. is a software development company that delivers meaningful solutions through expertise and creativity. Our talent spans from web to mobile, backed by a design department.</p> <p>We are especially good at building teams that closely match our clients' needed technological skillset and experience. Our partners come from around the world and a variety of industries (finance, technology, entertainment, etc.) or company types (start-up, corporate, SME, etc.)</p> <p>We take their ideas to heart, aim at being flexible and keep everyone well-informed and involved, as if we were sharing an office.</p> <p>We are headquartered in Sofia with a branch office in Veliko Turnovo.</p>			
<b>Position / Job Title :</b>	Senior .NET Developer		

<b>Job Description:</b>	<p>We are as interested in your work experience as we are in the kind of person you are. At Melon, we believe there are three key qualities to being a good teammate, as well as client: being smart, delivering results and being nice. This is why beyond your skills, we value character, reason and sense of humor, and we appreciate potential for growth.</p> <p>Our team is supportive, hard-working and friendly and we like to keep it this way. If you would like to join Melon, here's what you will do most of the time:</p> <ul style="list-style-type: none"> <li>• Work on custom projects for clients, sometimes very closely with their team</li> <li>• Keep a healthy communication with your project manager and client</li> <li>• Take active part in all project stages – analysis, estimation, documentation, coding, bug fixing and support</li> <li>• Develop our own products</li> <li>• Learn from your colleagues and teach them what you know</li> </ul>
<b>Location:</b>	Sofia
<b>Requirements:</b>	<ul style="list-style-type: none"> <li>• 2+ years' experience using ASP.NET, C#, Web Services, ADO.NET, XSL, XML, HTML, CSS, JavaScript, MS SQL</li> <li>• Knowledge of development environment, source control systems (TFS, VSS, SVN, Git)</li> <li>• Teamwork experience</li> <li>• Good communication skills (everything from showing empathy to being able to present your ideas clearly and resolve conflicts in a non-violent way)</li> <li>• Good command of English (reading, writing, speaking)</li> <li>• Internal drive to learn, improve and succeed (coffee's on us)</li> </ul> <p><b>Education:</b>  Computer Science or related field and/or demonstrated capability through previous experience</p>
<b>Perspectives:</b>	<p>This is a full-time position that comes with a competitive salary and an opportunity to grow within the company based on demonstrated merit.</p> <p>The key thing about Melon? You get an opportunity to tackle challenging work tasks in a dynamic, but supportive organization. Our company culture is people-oriented and informal. This mix attracts good teammates and interesting clients.</p>
